

SHAPING THE DEFENCE FUTURE OF EUROPE

Debating the role of the defence industry in the EU security

Further development of the defence and defence industry can be achieved by implementing appropriate innovation strategies and by implementing high-tech solutions in other sectors of the economy. Main thematic areas during the event will be focusing on EUROPEAN SECURITY PERSPECTIVES, INNOVATIONS IN DEFENCE INDUSTRY, MARKET STRATEGY FOR DEFENCE. The conference is addressed to a wide range of decision makers from the security and defence sector, including politicians, journalists, defence industry representatives, and those affected by the development of defence technologies.
